Sir:

I desire to acknowledge receipt of your letter of the 8th inst. transmitting certified abstracts of passenger manifests in the cases of Mahadeo Mandekar, ex S.S. "United States", November 9, 1915; Wriben Chatterjee, ex S.S. "Prinz Friedrich Wilhelm", January 22, 1915; and Parakkath Das, ex. S.S. "Heilis Olav", July 11, 1916.

Thanking you for same, I am,

Respectfully,

William Todd, MSG.,

United States Naval Station,

Dear Mr. Todd:

This will acknowledge receipt of your letter of December 7 enclosing clipping from a Honolulu paper and copy of extracts from Capt. Grasshoff's diary. It is apparent from the clipping that Roddick made an effort to present his case as favorably as possible to the Honolulu public. You have probably learned by this time, however, that the time Roddick was sentenced the Court specifically stated that he could not accept Roddick's contention that he was only technically guilty, since his plea of guilty admitted knowledge. Roddick took the witness stand for the Government and I think told us all he knew about the Hindu case. For that reason the Court did not sentence him to imprisonment although as you see, he gave him the maximum fine.

The extracts from Capt. Grasshoff's diary are very interesting and will probably lead to later prosecutions. Roddick denies that he knew Kirchelsen except in the transportation of the survivor. We are informed that Roddick has been requested to resign from many positions of honor and trust which he filled

in the Island; in fact he had many telegrams to that effect which he showed us at the time of his sentence.

The statement published in the Honolulu paper as having been made to the Court at the time Reedick pleaded guilty was not in fact made as the Court refused to hear any statement at that time and in the presence of the jury.

Accept once more our sincere thanks for your very valuable assistance.

Respectfully,

United States Attorney.
