Ans'd. Dec 6 1917

I must apologize
for not sending you word
about the Hendoo Suit case
that my friend Timball, has
had a lot of worry over.

Shortly after receiving your
letter of Oct 31st I went to
Wells Fargo and got the Suit
Case of Karia's Singh and upon
Examination of its contents
I found there was nothing
but some old clothes in same
no writings of any description
or one thing that could be used
as any evidence. which accounts
for my not sending it to you.

I am enclosing you all
the correspondence relating to
this affair which I would thank
you to return to me when finished

Yours very truly
